Dear Andrea:

In response to the information below, BASF agrees that the CAS Number for Propanenitrile is 107-12-0.

The CAS Number provided in our submission dated 10/6/06 was incorrect.

Should you have any questions or need further clarification, please contact me at the number below.

Regards,

Dear Ms. Cerra:

314087

This is an official communication from EPA concerning submission 8EHQ-0107-16709. A reviewer of the submission has determined that the CAS # provided (185257-15-1) does not match the chemical name propanenitrile which has a different CAS# (107-12-0). The CAS# you provided is invalid. Please submit the correct chemical name and CAS # so we may correct the file.
