Dear Mr. Stoll:

Thank you for your letter of July 12, 2002 to Administrator Whitman regarding a supplemental submission to the Cement Kiln Recycling Coalition (CKRC) hazardous waste combustion site-specific risk assessment petition. The supplemental submission requests that we consider the May 17, 2002 decision issued by the Court of Appeals for the District of Columbia Circuit in *GE v. EPA*, 290 F.3d 377 in our evaluation of the CKRC petition. We will add your supplemental submission to the petition and take the Court's May 17, 2002 decision in *GE v. EPA* into consideration.

The petition is under active evaluation and we hope to soon share the status of our review. Should you have any questions please feel free to contact me at (703) 308-8895 or Rosemary Workman, of my staff, at (703) 308-8725.

Sincerely,

Elizabeth A. Cotsworth, Director
Office of Solid Waste
