ORDER

A public hearing regarding the above captioned matter was held July 22, 2003 in Cahokia, Illinois. This matter had been set to receive written comments until the Close of Record on August 22, 2003. However, there was significant interest by members of the public in extending the Close of Record date. In addition, many citizens requested copies of the transcript of proceedings due to the technical nature of the presentations and the poor acoustics in the hearing room. The transcript could not be made available to the public for an adequate period of time before Close of Record. After due consideration, the Hearing Officer, pursuant to authority set forth at 35 Ill. Adm. Code Sections 166.191 and 705.182, hereby orders that the Comment Period in this matter be and hereby is extended from August 22, 2003 to September 12, 2003.

Date: July 30, 2003
