

Illinois Environmental Protection Agency

Public Notice

Proposed Issuance of a Construction Permit to
Natural Gas Pipeline Co. of America – Station 201 in Herscher

Natural Gas Pipeline Co. of America, 370 Van Gordon Street, P. O. Box 281304, Lakewood, Colorado, 80228-8304, has applied for a permit from the Illinois Environmental Protection Agency (Illinois EPA) to construct a new natural gas fired compressor engine at its facility located at 5611 S 12000 W Road in Herscher. The project would not be a major new source of air emissions as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21. Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight September 27, 2008.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New). These documents and the application may also be viewed at the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
