Proposed Revision of the federal Prevention of Significant Deterioration (PSD) Permit to Mobil Oil Corporation, Joliet

Mobil Oil Corporation has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a revision to the construction permit issued for its crude unit upgrade at the refinery located at I-55 and Arsenal Road near Joliet. The previously issued permit granted approval with respect to Prevention of Significant Deterioration (40 Code of Federal Regulations (CFR) 52.21). The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, PSD, Revision). These documents and the application can also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight July 6, 2001. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
