

Illinois Environmental Protection Agency

Proposed Issuance of a Construction Permit to  
E. A. Allen Lumber Company in Momence

E. A. Allen Lumber Company has applied to the Illinois EPA for a permit to construct two new wood building products flow coating lines at its facility located at 117 East Industrial Drive in Momence. The project would not be major under the rules for Prevention of Significant Deterioration (PSD), 40 CFR 52.21, or Major Stationary Sources Construction and Modification (MSSCAM), 35 IAC Part 203. Based on its review of the application, the Illinois EPA has made a preliminary determination that the application for this project complies with applicable rules and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application. **Comments must be postmarked by midnight April 18, 2008.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm) (please look under All Permit Records, State Construction Permits, New). These documents and the application may also be viewed at the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
