

Illinois Environmental Protection Agency

Public Notice
Proposed Issuance of a Construction Permit to
L & P Plastics - Carlyle

L & P Plastics – Carlyle has applied for a permit from the Illinois Environmental Protection Agency (Illinois EPA) to construct two new paint booths and modify six existing paint booths at its facility located at 26th and Franklin Streets in Carlyle. The project would not be a major new source of air emissions as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21. Based on its review of the application, the Illinois EPA has made a preliminary determination that this project is entitled to a construction permit and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight May 25, 2007.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New). These documents and the application may also be viewed at the Illinois EPA's offices at 2009 Mall Street in Collinsville 618/346-5120 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
