

Public Notice  
Proposed Issuance of a State Construction and Operating Permit to  
Atlas Roofing Corporation, East Moline

Atlas Roofing Corporation has requested a construction and operation permit from the Illinois Environmental Protection Agency (Illinois EPA) to convert to a new blowing agent for their foam process at their facility located at 3110 East Morton Drive in East Moline. The construction will not be major modification and the modification will not be subject to the federal "Prevention of Significant Deterioration" (40 CFR 52.21) rules. The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, project summary and the application at the Illinois EPA's offices at 1630 Fifth Street, Moline, 309/797-3341 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight May 20, 2000. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
