

Public Notice
of Proposed Issuance of Federally Enforceable State Operating Permits (FESOP) to
Rockford Products Corporation, and
Alliant Industrial Services

Rockford Products Corporation has requested that the Illinois EPA issue a federally enforceable state operating permit (FESOP) for its cold formed metal products manufacturing company located at 700 Harrison Avenue in Rockford. The Illinois EPA is accepting comments on the proposed issuance. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Alliant Industrial Services has requested that the Illinois EPA issue a federally enforceable state operating permit (FESOP) for its electric generators located at 707 Harrison Avenue in Rockford. The Illinois EPA is accepting comments on the proposed issuance. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA. Alliant Industrial Services provides backup electrical power to Rockford Products Corporation.

Persons wanting more information may obtain copies of the draft permit, project summary and application at Illinois EPA's offices at 4302 North Main Street in Rockford, 815/987-7750 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight July 26, 2000. If sufficient interest is expressed in a permit, a hearing may be held.
