

Public Notice
of the Proposed Issuance of a Federally Enforceable State Operating Permit (FESOP) to
Northwestern University, Chicago

Northwestern University has requested that the Illinois EPA issue a federally enforceable state operating permit (FESOP) for its campus utility plant located at 410 East Huron Street in Chicago. The Illinois EPA is accepting comments on the proposed permit. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permits, and project summaries at www.epa.gov/region5/air/permits/ilonline.htm (please look at All Permit Records, FESOP, New). These documents and the applications may also be obtained from the Illinois EPA's office at 9511 West Harrison, Des Plaines, 847/294-4000 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight April 21, 2001. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
