Proposed Issuance of a Construction Permit
Omega Partners Hartford, LLC in Hartford

Omega Partners Hartford, LLC has applied to the Illinois EPA Bureau of Air for a construction permit to expand its terminal located at 1402 South Delmar in Hartford. This project includes new storage tanks and marine and railcar load out operations. The project is not a major new project for purposes of the state rules for Major Stationary Sources Construction and Modification (MSSCAM), 35 IAC Part 203 or the federal rules for Prevention of Significant Deterioration (PSD), 40 CFR 52.21.

Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight April 26, 2013.** If sufficient interest is expressed in this matter, a hearing or other informational meeting may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.
