

Public Notice
of the Proposed Revision of the Federally Enforceable State Operating Permit (FESOP) for
Rockford Blacktop Construction Company, Mew Milford

Rockford Blacktop Construction Company has requested that the Illinois EPA revise the federally enforceable state operating permit (FESOP) for its asphalt plant located at 3663 Baxter Road in New Milford. The Illinois EPA is accepting comments on the proposed renewal. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permits, and project summaries at www.epa.gov/region5/air/permits/ilonline.htm (please look at All Permit Records, FESOP, Renewal). These documents and the applications may also be obtained from the Illinois EPA's office at 4302 North Main, Rockford, 815/987-7750 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight February 11, 2001. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
