

Public Notice
of the Proposed Renewal of a Federally Enforceable State Operating Permit (FESOP) to
Phillips Pipe Line Company, Forsyth

Phillips Pipe Line Company has requested that the Illinois EPA to renew a federally enforceable state operating permit (FESOP) for its distribution terminal located at 266 East Shafer Street in Forsyth. The Illinois EPA is accepting comments on the proposed renewal. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/ARD-R5/permits/ilonline.htm (please look at All Permit Records, FESOP, Renewal). These documents and the application may also be obtained from the Illinois EPA's offices at 2125 South First Street in Champaign, 217/278-5800 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight October 30, 2000. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
