

Public Notice
Proposed Issuance of an Air Pollution Control Construction to
Head Incorporated, South Elgin

Head Incorporated has requested a construction permit from the Illinois Environmental Protection Agency (Illinois EPA) to install a new vapor degreaser at its facility located at 201 North Center Street in South Elgin. The new vapor degreaser will not be a significant new source of emissions. The Illinois EPA is accepting comments prior to making a final decision on this project.

The Illinois EPA has reviewed the permit application and has concluded that the application complies with applicable state and federal air pollution control laws and rules, including the Illinois Environmental Protection Act, the federal Clean Air Act, Illinois' Rules for Air Pollution (35 Ill. Adm. Code: Subtitle B).

Persons wanting more information may obtain copies of the draft permit and project summary at www.epa.gov/ARD-R5/permits/ilonline.htm. These documents along with the application may also be reviewed at Illinois EPA's offices at 1701 South First Avenue in Maywood, 708/338-7900 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight November 13, 1999. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Nathan Frank, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
