

Illinois Environmental Protection Agency

Public Notice
Proposed Issuance of a Construction Permit to
Meco, Inc. in Paris

Meco, Inc. has applied for a permit from the Illinois Environmental Protection Agency (Illinois EPA) to construct a vapor degreaser at its facility located at 2121 South Main Street in Paris. The project would not be a major new source of air emissions as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21. Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight November 15, 2007.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New). These documents and the application may also be viewed at the Illinois EPA's offices at 2125 South First Street in Champaign, 217/278-5800 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
