

Illinois Environmental Protection Agency

Notice of Public Comment Period
for the
Proposed Issuance of a Construction Permit to
Automotive Robotics Proving Lab in East Peoria

Automotive Robotics Proving Lab has applied to the Illinois EPA Bureau of Air for a construction permit to build two new engine test cells at its facility located at 5 Altorfer in East Peoria. The project would not be a major new source or modification for purposes of the federal rules for Prevention of Significant Deterioration (PSD), 40 CFR 52.21.

Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight January 15, 2012.** If sufficient interest is expressed in this matter, a hearing or other public meeting may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at <http://www.epa.gov/reg5oair/permits/ilonline.html> The repositories for these documents and the application are located at the Illinois EPA's offices at 5407 North University, Peoria, 309/693-5462 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
