

Illinois Environmental Protection Agency

Notice of Public Comment Period for the
Proposed Issuance of a Construction Permit to
Akzo Nobel Surface Chemistry LLC in Morris

Akzo Nobel Surface Chemistry LLC has applied to the Illinois EPA Bureau of Air for a construction permit to add a new boiler, a new heater and change an existing boiler at its facility located at 8005 North Tabler Road in Morris. The project would not be a major new source or modification for purposes of the federal rules for Prevention of Significant Deterioration (PSD), 40 CFR 52.21 or the state rules for Major Stationary Sources Construction and Modification (MSSCAM), 35 IAC Part 203.

Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight December 16, 2010.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.

Persons wanting more information may view the draft permit and project summary at <http://www.epa.gov/reg5oair/permits/ilonline.html>. The repositories for these documents and the application are located at the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 N. Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
