

Public Notice
of the Proposed Issuance of a Federally Enforceable State Operating Permit (FESOP) to
Hartford-Wood River Terminal, Hartford

Hartford-Wood River Terminal has requested that the Illinois EPA to issue a federally enforceable state operating permit (FESOP) for the company's bulk gasoline terminal located at 900 North Delmar in Hartford. The Illinois EPA is accepting comments on the proposed renewal. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/ARD-R5/permits/ilonline.htm (please look at All Permit Records, FESOP, New). These documents and the application may also be obtained from the Illinois EPA's offices at 2009 Mall Street in Collinsville, 618/346-5120 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight October 26, 2000. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143 or call toll free 1-888/372-1996 and leave a message for Brad Frost stating your name, telephone number, and the company that you are calling about.
