ORDER

A public hearing regarding the above captioned matter was held on April 8, 2008, in Robbins, Illinois. This matter has been set to receive written comments until closure of the record on May 8, 2008. Today, May 8, 2008, Keith Harley, Chicago Legal Clinic, Inc., on behalf of the South Cook County Environmental Action Coalition ("SCCEAC"), requested an extension of the comment period. The SCCEAC has requested this extension due to its outstanding Freedom of Information Act ("FOIA") request to the Illinois Environmental Protection Agency ("Illinois EPA") regarding information relating to this permit matter.

Due to the voluminous size of the response to this FOIA request, the Hearing Officer, pursuant to authority set forth under 35 Ill. Adm. Code Section 166.191, hereby grants the request for extension because of the importance of enabling SCCEAC and other members of the public to review and comment on the information provided by the Illinois EPA in response to this FOIA request and for a full opportunity for public participation, and orders that the comment period in this matter be extended from May 8, 2008, to June 3, 2008. Accordingly, written comments must be postmarked by midnight June 3, 2008.
