Notice of Public Comment Period for the  
Proposed Issuance of a Construction Permit to  
Industrial Power Generating Company, L.L.C. in Joliet

Industrial Power Generating Company, L.L.C. (INGENCO), 2250 Dabney Road, Richmond, VA, 23230, has applied to the Illinois EPA for a permit to construct a landfill gas-to-energy facility at the CDT Landfill located at 2851 Mound Road in Joliet. The landfill gas to energy facility would include a landfill gas (LFG) treatment system and twelve landfill gas and distillate fuel oil fired compression ignition engines. The project would not be a major new source or modification of air emissions as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21 or the state rules Major Stationary Sources Construction and Modification (MSSCAM), 35 IAC Part 203.

Based on its review of the application, the Illinois EPA has made a preliminary determination that this project will comply with the applicable environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments prior to making a final decision on the application for this project. **Comments must be postmarked by midnight May 23, 2009.** If sufficient interest is expressed in this matter, a hearing may be held. Comments, questions and requests for information, should be directed to Brad Frost, Bureau of Air, Illinois EPA, P. O. Box 19506, Springfield, IL 62794-9506, phone 217/782-2113, TDD 217/782-9143.
