

Public Notice  
Proposed Issuance of a Construction Permit to  
John Deere Harvester Works-East Moline

John Deere Harvester Works-East Moline has applied for a permit from the Illinois Environmental Protection Agency (Illinois EPA) to construct a new spray coating booth and a drying oven at its facility located at 1100 Thirteenth Street in East Moline. The project is not a major new source or major modification as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21. **The Illinois EPA is accepting comments prior to making a final decision on this project.**

Persons wanting more information may obtain copies of the draft permit and project summary at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm) (please look under All Permit Records, State Construction Permits, New). These documents and the application can also be obtained from the Illinois EPA's offices at 1630 Fifth Avenue, Moline, 309/797-3341 and 1340 North Ninth St., Springfield, 217/782-7027 (for either location please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

The Illinois EPA is accepting comments prior to making a final decision on this project. **Comments must be postmarked by midnight August 8, 2005.** If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
