

Public Notice
Proposed Issuance of a Federally Enforceable State Operating Permit (FESOP) for
Porcelain Products Company, Macomb

Porcelain Products Company has requested that the Illinois EPA issue a the federally enforceable state operating permit (FESOP) for its porcelain insulators manufacturing facility at 510 North Pearl Street in Macomb. The Illinois EPA is accepting comments on the proposed permit. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permit, project summary and application at Illinois EPA's offices at 5415 North University in Peoria, 309/693-5461 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight May 22, 2000. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO.
