

Public Notice
Proposed Issuance of a Construction Permit to
Bagcraft Packaging, L.L.C. in Chicago

Bagcraft Packaging, L.L.C. has applied for a construction permit from the Illinois Environmental Protection Agency (Illinois EPA) to install a new flexographic printing press at its facility located at 3900 West 43rd Street in Chicago. Bagcraft Packaging must obtain a construction permit before installing the printing press because the new printing press will be a source of air emissions. The project is not categorized as a major source or major modification as defined by the federal Prevention of Significant Deterioration (PSD) rules, 40 CFR 52.21 or the state rules 35 IAC 203: Major Stationary Source Construction and Modification. **The Illinois EPA is accepting comments prior to making a final decision on this project.**

Persons wanting more information may obtain copies of the draft permit and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New). These documents and the application can also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (for either location please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

The Illinois EPA is accepting comments prior to making a final decision on this project. **Comments must be postmarked by midnight April 8, 2005.** If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
