

Illinois Environmental Protection Agency

Public Notice

Proposed Issuance of a Clean Air Act Permit Program Permit to  
Olin Corporation in East Alton

Olin Corporation has requested a Clean Air Act Permit Program (CAAPP) permit from the Illinois Environmental Protection Agency (Illinois EPA) to regulate air emissions from its brass alloy strip and small arms ammunition manufacturing facility located at 427 North Shamrock Street in East Alton. Based on its review of the application, the Illinois EPA has made a preliminary determination that the application meets the standards for issuance and has prepared a draft permit for public review.

The Illinois EPA is accepting comments on the draft permit. Comments must be postmarked by midnight October 19, 2007. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.

Persons wanting more information may obtain copies of the draft permit and project summary at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm) (please look under All Permit Records, Title V, New). These documents and the application are available at the Illinois EPA's offices at 2009 Mall Street in Collinsville, 618/346-5120 and 1340 North Ninth St., Springfield, 217/782-7027 (for either location, please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

The CAAPP is Illinois' operating permit program for major sources of emissions, as required by Title V of the Clean Air Act (Act). The conditions of CAAPP permits are enforceable by the public, as well as by the USEPA and Illinois EPA. In addition to implementing Title V of the Act, CAAPP permits may contain "Title I Conditions," i.e., conditions established under the permit programs for new and modified emission units, pursuant to Title I of the Act. This permit contains T1 conditions in sections 7.1.6, 7.2.6, 7.3.6, 7.4.6, 7.5.6, 7.6.6, and 7.8.6 that were established in previously issued permits. The draft permit contains new T1 conditions established by this application in sections 7.6.6 and 7.8.6. The draft permit contains revisions to previously established T1 conditions in sections 7.2.6, 7.6.6, and 7.8.6.
