

## Public Notice

### Proposed Issuance of an Air Pollution Control Joint Construction and Operating Permit to Three Z Printing Company, Teutopolis

Three Z Printing Company has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a permit to construct and operate two new printing lines and modify its existing eighteen printing lines at its facility located on Route 40 West in Teutopolis. This facility would not be a major new source of air emissions pursuant to the "Prevention of Significant Deterioration" (40 CFR 52.21) or "Major Stationary Source Construction and Modification" (35 IAC Part 203) rules. The Illinois EPA is accepting comments on the proposed permit.

Persons wanting more information may obtain copies of the draft permit and project summary at [www.epa.gov/ARD-R5/permits/ilonline.htm](http://www.epa.gov/ARD-R5/permits/ilonline.htm) (please look for the documents under All Permit Records, State Joint Construction and Operating Permits, New). These documents along with the application may also be reviewed at the Illinois EPA's offices at 2009 Mall Street in Collinsville, 618/346-5120 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight February 18, 2000. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143. The Illinois EPA's toll free number is also available, 1-888/372-1996. If you call the toll free number please leave a message with your name, phone number, the name of the facility, and that you are trying to contact Brad Frost.
