

Public Notice  
Proposed Issuance of Clean Air Act Permit Program (Title V) Permits to  
Chicago Specialties, Chicago and  
Saint-Gobain Containers, Dolton

Chicago Specialties has requested a Clean Air Act Permit Program (CAAPP) permit from the Illinois Environmental Protection Agency (Illinois EPA) for its synthetic organic chemical manufacturing facility located at 735 East 115<sup>th</sup> Street in Chicago. The permit will be enforceable by the United States Environmental Protection Agency, as well as the Illinois EPA. The beginning of this public comment period also serves as the beginning date of the USEPA 45 day review period, provided the USEPA does not seek a separate proposed period. This permit may contain terms and conditions established pursuant to Title I of the federal Clean Air Act thereby making it a combined CAAPP and Title I permit. The Illinois EPA is accepting comments on the proposed permit.

Saint-Gobain Containers has requested a Clean Air Act Permit Program (CAAPP) permit from the Illinois Environmental Protection Agency (Illinois EPA) for its glass container manufacturing facility located at 13850 Cottage Grove Avenue in Dolton. The permit will be enforceable by the United States Environmental Protection Agency, as well as the Illinois EPA. The beginning of this public comment period also serves as the beginning date of the USEPA 45 day review period, provided the USEPA does not seek a separate proposed period. This permit may contain terms and conditions established pursuant to Title I of the federal Clean Air Act thereby making it a combined CAAPP and Title I permit. The Illinois EPA is accepting comments on the proposed permit.
