

Illinois Environmental Protection Agency

Public Notice
of the Proposed Issuance of a Lifetime Operating Permit to
Argo Terminal Company in Argo

Argo Terminal Company has requested that the Illinois Environmental Protection Agency issue a Lifetime Operating Permit regulating the air emissions from its tanker truck preparation plant located at 8800 West 71st Street in Argo. Lifetime Operating Permits are issued by the Illinois Environmental Protection Agency to sources that are not major or potentially major sources of air emissions. The Illinois EPA has made a preliminary determination that the application would comply with the environmental regulations and has prepared a draft permit for public review.

The Illinois EPA is accepting comments on the draft permit. Comments must be postmarked by midnight February 11, 2011. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois, 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.

Persons wanting more information may obtain copies of the draft permit, and project summary at <http://www.epa.gov/reg5oair/permits/ilonline.html>. These documents and the application may also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.
