

Public Notice
Proposed Issuance of a State Construction Permit to
E/M, Division of Morgan Chemical Products, Inc., Lombard

E/M, Division of Morgan Chemical Products, Inc., has requested a construction permit from the Illinois Environmental Protection Agency (Illinois EPA) to construct new coating lines at its facility located at 129 Eisenhower Lane South in Lombard. The company is accepting limitations on the permit so that air emissions from the new construction will not exceed major source levels. The construction will not be a major modification to the facility under the Prevention of Significant Deterioration (PSD) rules, 40 Code of Federal Regulations (CFR) 52.21 or the "Major Stationary Source Construction and Modification" (35 IAC Part 203) rules. The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit and project summary at www.epa.gov/ARD-R5/permits/ilonline.htm (please look for the documents under All Permit Records, State Construction Permits, New). These documents along with the application may also be reviewed at the Illinois EPA's offices at 1701 South First Avenue in Maywood, 708/338-7900 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight April 8, 2000. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
