

Public Notice
Proposed Issuance of a State Construction Permit to
Chicago Finishing Metals, Bridgeview

Chicago Finishing Metals has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a construction permit to modify their existing coating line #2 to include a new thermal oxidizer, a new primer oven with permanent total enclosure, and a modification to the existing finisher oven with a permanent total enclosure. The facility is located at 9900 Industrial Drive in Bridgeview. When considered with contemporaneous changes at the facility, the new construction will not constitute a major modification pursuant to 35 IAC 203, Major Stationary Sources Construction And Modification rules. The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permit, New). These documents and the application can also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight August 25, 2001. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
