

Public Notice  
of the Proposed Renewal of the Federally Enforceable State Operating Permit (FESOP) to  
Heatcraft Refrigeration Products, Danville

Heatcraft Refrigeration Products has requested that the Illinois EPA renew the federally enforceable state operating permit (FESOP) for its refrigeration products manufacturing facility located at 1625 East Voorhees Street in Danville. The Illinois EPA is accepting comments on the proposed renewal. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

Persons wanting more information may obtain copies of the draft permits, and project summaries at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm) (please look at All Permit Records, FESOP, Renewal). These documents and the applications may also be obtained from the Illinois EPA's office at 2125 South First Street in Champaign, 217/278-5800 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed permit. Comments must be postmarked by midnight April 15, 2001. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
