

Public Notice
of the Proposed Renewal of the Federally Enforceable State Operating Permit for
Buildex in Itasca and Elk Grove Village and
Proposed Issuance of a Federally Enforceable State Operating Permit to
FPM – Buildex in Itasca

Buildex has requested that the Illinois Environmental Protection Agency renew the federally enforceable state operating permit (FESOP) for the air emissions from its dip painting operations located at 1349 West Bryn Mawr Avenue in Itasca and 950 Pratt Boulevard in Elk Grove Village. Pursuant to the 1990 amendments to the Clean Air Act, the facility is required to have a federally enforceable permit for its air emissions. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

FPM – Buildex has requested that the Illinois Environmental Protection Agency issue a federally enforceable state operating permit (FESOP) for the air emissions from its metal heat treating facility located at 1349 West Bryn Mawr Avenue in Itasca. Pursuant to the 1990 amendments to the Clean Air Act, the facility is required to have a federally enforceable permit for its air emissions. The permit will contain federally enforceable limitations that restrict the facility's emissions to non-major levels. The permit will be enforceable by the USEPA, as well as the Illinois EPA.

The sources are considered a single source of air emissions pursuant to 39.5 of the Clean Air Act. The Illinois EPA is accepting comments on the draft permits.

Persons wanting more information may obtain copies of the draft permits, and project summaries at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, FESOP, Renewal and All Permit Records, FESOP, New). These documents and the application may also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the draft permits. Comments must be postmarked by midnight January 30, 2003. If sufficient interest is expressed in a permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
