

Public Notice
Proposed Issuance of a State Construction Permit to
Color Communications, Inc., Chicago

Color Communications, Inc. has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a construction permit to add two coating lines and modify an existing coating line at its facility located at 4000 West Fillmore Street in Chicago. The facility will not constitute a major new source under the federal Prevention of Significant Deterioration rules (40 CFR 52.21) or the state Major Stationary Source Construction and Modification rules (35 IAC 203). The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, and project summary at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permit, New). These documents and the application can also be obtained from the Illinois EPA's offices at 9511 West Harrison in Des Plaines, 847/294-4000 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight May 12, 2001. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
