

Public Notice  
Proposed Issuance of a State Construction Permit to  
Entergy Power Generation Corporation, Clay County

Entergy Power Generation Corporation has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a permit to construct an electric generation facility to be located on Township Road approximately two miles southeast of Louisville in Clay County. The company has requested to build six gas turbines to generate up to 588 megawatts of electricity. This facility would not be a major new source of air emissions pursuant to the Prevention of Significant Deterioration (PSD) rules, 40 Code of Federal Regulations (CFR) 52.21. The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, and project summary at [www.epa.gov/ARD-R5/permits/ilonline.htm](http://www.epa.gov/ARD-R5/permits/ilonline.htm) (please look under All Permit Records, State Construction Permits, New). These documents and the application can also be obtained from the Illinois EPA's offices at 2309 West Main Street in Marion, 618/993-7200 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight October 18, 2000. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143, or call toll free 1-888/372-1996 (if using the toll free number, please leave a message with you name, phone number, the facility you are calling about and that the message is for Brad Frost).
