

Public Notice
Proposed Issuance of Clean Air Act Permit Program (Title V) Permit to
Amoco Petroleum Products – Chicago Terminal, Forest View

Amoco Petroleum Products has requested a Clean Air Act Permit Program (CAAPP) permit from the Illinois Environmental Protection Agency (Illinois EPA) for its Chicago Terminal located at 4811 South Harlem Avenue in Forest View. The CAAPP permit will be enforceable by the United States Environmental Protection Agency, as well as the Illinois EPA. The Illinois EPA is accepting comments on the draft permit. The beginning of this public comment period also serves as the beginning date of the USEPA 45 day review period, provided the USEPA does not seek a separate proposed period. This permit may contain terms and conditions established pursuant to Title I of the federal Clean Air Act thereby making it a combined CAAPP and Title I permit.

Persons wanting more information may obtain copies of the draft permit and project summary at Illinois EPA's offices at 1701 First Avenue in Maywood, 708/338-7900 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of this permit. Comments must be postmarked by midnight April 23, 2000. If sufficient interest is expressed in this permit, a hearing may be held. Requests for information, comments, and questions should be directed to Mike Davidson, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143. The Illinois EPA's toll free number is also available, 1-888/372-1996. If you call the toll free number please leave a message with your name, phone number, the name of the facility, and that you are trying to contact Brad Frost.
