

Public Notice
Proposed Issuance of Clean Air Act Permit Program (Title V) Permit to
Central Products Company, Carbondale

Central Products Company has requested a Clean Air Act Permit Program (CAAPP) permit from the Illinois Environmental Protection Agency (Illinois EPA) for its tape coating plant located at 2200 North McRoy Drive in Carbondale. The CAAPP permit will be enforceable by the United States Environmental Protection Agency, as well as the Illinois EPA. The Illinois EPA is accepting comments on the draft permit.

Persons wanting more information may obtain copies of the draft permit and project summary at www.epa.gov/ARD-R5/permits/ilonline.htm (please look for the documents under All Permit Records, Title V Permits, New). These documents along with the application may also be reviewed at Illinois EPA's offices at 2309 West Main Street in Marion, 618/993-7200 (please call ahead to assure that someone will be available to assist you) and 1340 North Ninth St., Springfield, 217/782-7027. Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of this permit. Comments must be postmarked by midnight February 11, 2000. If sufficient interest is expressed in this permit, a hearing may be held. Requests for information, comments, and questions should be directed to Jason Schnepf, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143. The Illinois EPA's toll free number is also available, 1-888/372-1996. If you call the toll free number please leave a message with your name, phone number, the name of the facility, and that you are trying to contact Brad Frost.
