

Public Notice  
Proposed Issuance of a State Construction Permit to  
Owens-Brockway Glass Container, Inc., Streator

Owens-Brockway Glass Container, Inc., has applied to the Illinois Environmental Protection Agency (Illinois EPA) for a construction permit to increase the electric boost for one of its Glass Melting Furnaces at its facility located at 901 North Shabbona Street in Streator. The increase would not constitute a major modification pursuant to the Prevention of Significant Deterioration (PSD) rules, 40 Code of Federal Regulations (CFR) 52.21. The Illinois EPA is accepting comments prior to making a final decision on this project.

Persons wanting more information may obtain copies of the draft permit, and project summary at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm) (please look under All Permit Records, State Construction Permit, New). These documents and the application can also be obtained from the Illinois EPA's offices at 12 Gunia Drive in LaSalle, 815/223-1344 and 1340 North Ninth St., Springfield, 217/782-7027 (please call ahead to assure that someone will be available to assist you). Copies of the documents will be made available upon request.

Comments are requested on the proposed issuance of the permit. Comments must be postmarked by midnight July 6, 2001. If sufficient interest is expressed in the permit, a hearing may be held. Requests for information, comments, and questions should be directed to Brad Frost, Division of Air Pollution Control, Illinois Environmental Protection Agency, PO. Box 19506, Springfield, Illinois 62794-9506, phone 217/782-2113, TDD phone number 217/782-9143.
