

Public Notice

The Illinois Environmental Protection Agency (Illinois EPA), Bureau of Air is reopening the comment period for the draft air construction permit for North Shore Sanitary District. The Illinois EPA is taking this action because the company submitted air modeling to the Illinois EPA in response to comments made during the original hearing comment period. This air modeling is available at the Waukegan Public Library at 128 North County Street in Waukegan, on the Illinois Permit Database at www.epa.gov/region5/air/permits/ilonline.htm (please look under All Permit Records, State Construction Permits, New), and by calling the contacts listed below. Comments are not limited to the modeling and will be accepted into the hearing record if postmarked by February 25, 2002. Comments should be sent to

Illinois Environmental Protection Agency
William Seltzer, Hearing Officer
1021 North Grand Avenue, East
P.O. Box 19276
Springfield, IL 62794-9276

The Illinois EPA will also hold a meeting to explain the modeling. Illinois EPA representatives will be at the Waukegan Public Library in the Bradbury Meeting Room on February 11, 2002. Illinois EPA staff will make presentations at 2:00 p.m. and 7:00 p.m. and will be available after the presentations from 2:00 p.m. to 5:00 p.m. and 7:00 p.m. to 9:00 p.m. to answer questions.

If you have any questions about this matter or would like a copy of the modeling sent to you please contact Brad Frost at 217/782-7027.
