ORDER

A public hearing was held in this matter on October 3, 2001. The Comment Period for the hearing process remained open through November 15, 2001, whereupon the Record for the hearing process closed. It is hereby Ordered that the Comment Period be and hereby is reopened as of the date of this Order and that the Record remain open through February 25, 2002.

The Hearing Officer is taking this action because the North Shore Sanitary District submitted air modeling to the Illinois EPA in response to comments made during the original hearing comment period. This air modeling has been made available to the public at the Waukegan Public Library at 128 North County Street in Waukegan, Illinois and on the Illinois Permit Database at [www.epa.gov/region5/air/permits/ilonline.htm](http://www.epa.gov/region5/air/permits/ilonline.htm).

Written comments are not limited to the above-referenced modeling and will be accepted into the Record if postmarked no later than midnight February 25, 2002.
