PART 6. EMISSION LIMITATIONS AND PROHIBITIONS— EXISTING SOURCES OF VOLATILE ORGANIC COMPOUND EMISSIONS

R 336.1601 Definitions.

Rule 601. As used in this part:

(a) "Existing source" means any of the following:

(i) Any process or process equipment which is subject to the provisions of R 336.1604 to R 336.1618 and which either has been placed into operation before July 1, 1979, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before July 1, 1979.

(ii) Any process or process equipment which is subject to the provisions of R 336.1619 to R 336.1625 and which either has been placed into operation before July 1, 1980, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before July 1, 1980.

(iii) Any process or process equipment which is subject to the provisions of R 336.1628 and which either has been placed into operation before January 5, 1981, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before January 5, 1981.

(iv) Any process or process equipment which is subject to the provisions of R 336.1629 and which either has been placed into operation before January 20, 1984, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before January 20, 1984.

(v) Any process or process equipment which is subject to the provisions of R 336.1630 or R 336.1631 and which either has been placed into operation before July 1, 1987, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before July 1, 1987.

(vi) Any process or process equipment which is subject to the provisions of R 336.1632 and which either has been placed into operation before the effective date of R 336.1632 or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before the effective date of R 336.1632.

(vii) Any process or process equipment which is not subject to the provisions of any rule in this part and which either has been placed into operation before July 1, 1979, or for which an application for a permit to install, pursuant to the provisions of part 2 of these rules, was made to the department before July 1, 1979.

The term does not include a process or process equipment operated for research, development, or pilot studies, if the operation is not for the purpose of producing saleable products or goods.

(b) "Person responsible" means a person who owns, leases, controls, operates, or supervises a source of air contaminants.
