NOTICE OF INTENT TO ISSUE CLEAN AIR ACT PART 49 TRIBAL MINOR NEW
SOURCE REVIEW PERMIT

The U. S. Environmental Protection Agency (EPA) requests public comment on the draft minor New Source Review Permit for Prestige Custom Cabinetry & Millwork, Inc. (Permit No. SYN-ON-55009R0004-2014-01) located in Green Bay, Wisconsin on the Oneida Nation of Wisconsin Reservation. While the permit will authorize Prestige Custom Cabinetry & Millwork, Inc. to construct a custom wooden cabinetry manufacturing process located at 476 Packerland Drive, Green Bay, Wisconsin (Facility), the Facility has been operating since 1992. The permit also operates as a mechanism for the Facility to voluntarily accept restrictions on the potential of to emit, thereby making the Facility a synthetic minor source for Hazardous Air Pollutants. The permit contains all the Clean Air Act requirements applicable to the source and requires that the source conduct monitoring sufficient to enable EPA and the public to determine whether the source is complying with the air quality requirements applicable to the Facility.

All documents are available for review online at <http://www.epa.gov/region5/air/tribes/index.html>. The draft permit is also available for review at <http://yosemite.epa.gov/r5/r5ard.nsf/Tribal+Permits!OpenView>

Copies of the permit application, draft permit, technical support document, and the public notice are also available at the following nearby libraries:

- Weyers-Hilliard Branch Library, 2680 Riverview Drive, Green Bay, Wisconsin
- Ashwaubenon Branch Library, 1060 Orlando Drive, Ashwaubenon, Wisconsin
- Oneida Community Library, 201 Elm St, Oneida, Wisconsin

Members of the public may review copies of the draft permit prepared by EPA, the review documents for the draft permit, the application, and all supporting materials submitted by the source at the EPA Region 5 office in Chicago located at 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604, by contacting Constantine Blathras at (312) 886-0671 or Blathras.constantine@epa.gov. All documents will be available for review at the EPA Region 5 office in Chicago Monday through Friday from 8:15 AM until 4:45 PM Friday (excluding federal holidays).

Written comments and requests to receive notices of any future actions may be sent to George Czerniak, Director, Air and Radiation Division (A-18J), at the above EPA address or faxed to (312) 886-0968 by **December 1, 2014**. All written comments should include: the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

Members of the public may also request a public hearing. A request for a public hearing must be made in writing and must state the nature of the issues proposed to be raised at

the hearing. Written requests for a public hearing should be sent to the EPA address listed above.

All relevant comments received prior to the end of the public comment period will be considered in arriving at a final decision on the permit. All comments will be included in the public docket without change and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If you send e-mail directly to EPA, your e-mail address will be captured automatically and included as part of the public comment. Please note that an e-mail or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permits. If you believe any condition of the draft permit is inappropriate or that our initial decision to deny an application, terminate a permit, or prepare a draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period.
