NOTICE OF INTENT TO ISSUE CLEAN AIR ACT FEDERAL TITLE V OPERATING PERMIT

The U. S. Environmental Protection Agency (EPA) requests public comment on the draft Operating Permit (Permit No. V-LL-2706100011-09-02) for Great Lakes Gas Transmission Limited Partnership (Great Lakes Gas) located in Deer River, Minnesota. The public comment period for the draft permit ends **August 24, 2009**. The permit will authorize Great Lakes Gas to operate a natural gas-fired generator and two natural gas-fired turbines. The electricity produced will power the Deer River compressor station for Great Lakes Gas' gas pipeline. Great Lakes Gas is required to obtain a Clean Air Act Title V Operating Permit in accordance with 40 C.F.R. Part 71. The permit contains all the Clean Air Act requirements that apply to the source and requires that the source conduct monitoring sufficient to enable EPA and the public to determine whether the source is complying with the applicable air quality requirements.

Members of the public may review copies of the draft permit prepared by EPA, the statements of basis for the draft permit, the application, and all supporting materials submitted by the source. The materials will be available during normal business hours at the Cass Lake Community Library, 223 Cedar Ave., Cass Lake, MN 56633 (PH: 218-335-8865); the City Hall of Deer River, 208 Second St. SE, Deer River, MN 56636 (PH: 218-246-8195); or the EPA Region 5 office in Chicago, 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604. You can arrange to review the documents at the EPA Region 5 office Monday through Friday from 8:15 AM until 4:45 PM Friday (excluding federal holidays) by contacting Genevieve Damico at (312) 353-4761 or [damico.genevieve@epa.gov](mailto:damico.genevieve@epa.gov).

You should send written comments and requests to receive notices of any future actions to Cheryl Newton, Director, Air and Radiation Division (A-18J), at the above EPA address or fax them to (312) 697- 2571 by **August 24, 2009**. All written comments should include: the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

EPA will consider all relevant comments received prior to the end of the public comment period in arriving at a final decision on the permit. All comments will be included in the public docket without change, and may be made available to the public, including any personal information provided, unless the comment includes information identified as Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If you send e-mail directly to EPA, your e-mail address will be captured automatically and included as part of the public comment. Please note that an e-mail or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A

statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permit. If you believe any condition of the draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period. A copy of the draft permit is also available on the EPA Region 5 website at:
