NOTICE OF INTENT TO ISSUE CLEAN AIR ACT FEDERAL TITLE V OPERATING PERMIT

The U. S. Environmental Protection Agency (EPA) requests public comment on the draft Renewal Operating Permit (Permit No. V-PI-2704900084-2009-10) for Treasure Island Resort & Casino (Treasure Island) located in Red Wing, Minnesota. The public comment period for the draft permit ends **May 18, 2010**. The permit will authorize Energy Alternatives, Inc. to operate four internal combustion diesel engines which produce electricity for peak load management and backup power for the Treasure Island Resort & Casino. Energy Alternatives, Inc. is required to obtain a Clean Air Act Title V Operating Permit in accordance with 40 C.F.R. Part 71. The permit contains all the Clean Air Act requirements that apply to the source and requires that the source conduct monitoring sufficient to enable EPA and the public to determine whether the source is complying with the applicable air quality requirements.

Members of the public may review copies of the draft permit prepared by EPA, the statements of basis for the draft permit, the application, and all supporting materials submitted by the source. The materials will be available during normal business hours at the Red Wing Public Library, 225 East Ave., Red Wing, MN 55066 (PH: 651-385-3673); or the EPA Region 5 office in Chicago, 77 West Jackson Boulevard, 18th floor, Chicago, Illinois 60604. You can arrange to review the documents at the EPA Region 5 office Monday through Friday from 8:15 AM until 4:45 PM Friday (excluding federal holidays) by contacting Rachel Rineheart at (312) 886-7017 or rineheart.rachel@epa.gov.

You should send written comments and requests to receive notices of any future actions to Cheryl Newton, Director, Air and Radiation Division (A-18J), at the above EPA address or fax them to (312) 697- 2045 by **May 18, 2010**. All written comments should include: the reason for interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

EPA will consider all relevant comments received prior to the end of the public comment period in arriving at a final decision on the permit. All comments will be included in the public docket without change, and may be made available to the public, including any personal information provided, unless the comment includes information identified as Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If you send e-mail directly to EPA, your e-mail address will be captured automatically and included as part of the public comment. Please note that an e-mail or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permit. If you believe any condition of the draft permit is inappropriate, you must raise all reasonably

ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period. A copy of the draft permit is also available on the EPA Region 5 website at:
