NOTICE OF INTENT TO ISSUE REOPENED CLEAN AIR ACT CONSTRUCTION PERMIT  
For  
Shakopee Mdewakanton Sioux Community  
Dakotah! Sport and Fitness

The U.S. Environmental Protection Agency (EPA) requests public comment on the draft construction permit, Permit No. MIN-SM-27139R0004-2013-02, for Dakotah! Sport and Fitness. Dakotah! Sport and Fitness is located at 2100 Trail of Dreams, Prior Lake, Minnesota and is owned by the Shakopee Mdewakanton Sioux Community of Minnesota. The public comment period for the draft permit ends on **March 4, 2015**.

Permit No. MIN-SM-27139R0004-2013-01 is being reopened to revise nitrogen oxide emission limits for an emergency generator at the source based on performance test data. The reopened permit will include a revision to increase the emergency generator's allowable hourly nitrogen oxide emission limit from 37.59 pounds per hour to 45.93 pounds per hour. The reopened permit will also include a revision to increase the emergency generator's allowable annual nitrogen oxide emission limit from 9.40 tons per year to 11.48 tons per year. The revised permit will retain the annual operating hour limitation of 100 hours of nonemergency operation per year. The reopened permit will be reissued as Permit No. MIN-SM-27139R0004-2013-02.

EPA is seeking comment only on the permit conditions being revised in this permit action. Comments received regarding any other permit condition will not be accepted. Specifically, EPA is seeking comment on the following draft permit conditions for EU 103:

- Permit Condition 2.0(A)(1)(i)(a)
- Permit Condition 2.0(A)(1)(i)(b)

Members of the public may review copies of the draft permits prepared by EPA, the technical support document for the draft permit, the application, and all supporting materials at the EPA Region 5 office in Chicago, located at 77 West Jackson Boulevard, 18<sup>th</sup> floor, Chicago, Illinois 60604 by contacting Michael Langman at (312) 886-6867 or [langman.michael@epa.gov](mailto:langman.michael@epa.gov). All documents will be available for review at the EPA Region 5 office in Chicago Monday through Friday from 8:15 AM until 4:45 PM (excluding federal holidays).

All documents are available for review online at <http://www.epa.gov/region5/air/tribes/index.html>. The draft permit is also available for review at <http://yosemite.epa.gov/r5/r5ard.nsf/Tribal+Permits!OpenView>

A copy of the permit application, draft permit, technical support document, and the public notice are also available at the Prior Lake branch of the Scott County Library at 16210 Eagle Creek Avenue, Prior Lake, Minnesota.

Written comments and requests to receive notices of any future actions may be sent to George Czerniak, Director, Air and Radiation Division (AR-18J), at the above EPA Region 5 address or faxed to (312) 692-2031 by **March 4, 2015**. All written comments should include the reason for

interest in the draft permit, requested actions for EPA to take, and the justification for such actions. All comments should include sufficient specificity and regulatory references to allow EPA to investigate the merits of the position.

Members of the public may also request a public hearing. A request for a public hearing must be made in writing and must state the nature of the issues proposed to be raised at the hearing. Written requests for a public hearing should be sent to the EPA Region 5 address provided above.

EPA will consider all relevant comments received prior to the end of the public comment period in arriving at a final decision on the permits. All comments will be included in the public docket without change and may be made available to the public, including any personal information provided, unless the comment includes Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Information that you consider CBI or otherwise protected should be clearly identified as such and should not be submitted through email. If you send email directly to EPA, your email address will be captured automatically and included as part of the public comment. Please note an email or postal address must be provided with your comments if you wish to receive direct notification of EPA's final decision regarding the permit and its responses to comments submitted during the public comment period. The final permit is a public record that can be obtained upon request. A statement of reasons for changes made to the draft permit and responses to comments received will be sent to all persons who commented on the draft permits. If you believe any condition of the draft permit is inappropriate or that our initial decision to deny any application, terminate a permit, or prepare a draft permit is inappropriate, you must raise all reasonably ascertainable issues and submit all reasonably ascertainable arguments supporting your position by the end of the comment period.
