Dear Mr. Martin:

This note concerns the EPA-led oversight inspection of the Aztex Dairy conducted on September 25, 2012. A copy of the Cease and Desist Order that EPA issued to Aztex Dairy on October 31, 2012, is attached. We will keep you informed of any future enforcement actions related to this facility.

If you have any questions, please contact Dr. Abu Senkayi, of my staff, at 214-665-8403.

Sincerely,
