CONSENT AGREEMENT AND FINAL ORDER

I. PRELIMINARY STATEMENT

1. This Consent Agreement and Final Order (“CAFO”) is issued under the authority vested in the United States Environmental Protection Agency (“EPA”) pursuant to Section 309(g) of the Clean Water Act (“the Act”), 33 U.S.C. § 1319(g). This CAFO is issued in accordance with 40 C.F.R. § 22.18, as described in the “Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties and the Revocation/Termination or Suspension of Permits.”

2. On April 2, 2012, EPA Region 6 issued to B-3 Oil Company (“Respondent”) an Administrative Complaint (“Complaint”) under Section 309(g) of the Act, 33 U.S.C. § 1319(g), which proposed to assess a civil penalty against Respondent, and gave notice of Respondent’s opportunity to request a hearing on the proposed administrative penalty assessment.

3. EPA and the Respondent (collectively, “Parties”) agree that settlement of the relevant matters without litigation will save time and resources, that it is in the public’s interest, and that the entry of this CAFO is the most appropriate means of resolving such matters. Compliance with all the terms and conditions of this CAFO resolves only those violations alleged in the Complaint.

4. Respondent admits the jurisdictional allegations of the Complaint; however, Respondent neither admits nor denies the specific factual allegations and conclusions of law contained in the Complaint or the Findings of Fact and Conclusions of Law contained in this CAFO.

5. Respondent expressly waives any right to contest the factual allegations or conclusions of law contained in the Complaint and this CAFO and waives its right to appeal the Final Order set forth herein.

6. Before the taking of any testimony, and without adjudication of any issue of law or fact, the Parties agree to the terms of this CAFO and to its issuance. Respondent consents to the assessment and payment of a civil penalty in the amount and by the method set forth below.

II. FINDINGS OF FACT AND CONCLUSIONS OF LAW

7. Respondent is a corporation conducting business under the laws of the State of Texas, and as such, Respondent is a “person,” as that term is defined at Section 502(5) of the Act, 33 U.S.C. § 1362(5), and 40 C.F.R. § 122.2.

8. At all times relevant to this action, Respondent owned or operated an oil production lease known as the Robert W. Carter A lease located in Caldwell County, Texas (“facility”), and was therefore an “owner or operator” within the meaning of 40 C.F.R. § 122.2.

9. The Complaint specified Findings of Fact and Conclusions of Law that are hereby incorporated by reference and alleged, among other things, that at the relevant times: Respondent was a “person” that “owned or operated” a facility that acted as a “point source” subject to a “discharge” of “pollutants” to identified “waters of the United States” within the meaning of Section 502 of the Act, 33 U.S.C. § 1362, and 40 C.F.R. § 122.2; Respondent and the facility were subject to the provisions of the Act, 33 U.S.C. § 1251 et seq., and the National

Pollutant Discharge Elimination System ("NPDES") program; and Respondent violated Section 301 of the Act, 33 U.S.C. § 1311, by discharging pollutants, specifically oil field brine, to waters of the United States as specified in the Complaint.

10. With the issuance of the Complaint, the Railroad Commission of Texas was notified and given an opportunity to consult with EPA regarding the proposed assessment of an administrative penalty against Respondent.

11. EPA notified the public of the Complaint via the internet and afforded the public thirty days to comment on the Complaint and proposed penalty. At the expiration of the notice period, EPA had received no comments from the public.

III. TERMS OF SETTLEMENT

15. Respondent agrees not to claim or attempt to claim a federal income tax deduction or credit covering all or any part of the civil penalty paid to the United States Treasurer.

16. Pursuant to 31 U.S.C. § 3717 and 40 C.F.R. § 13.11, unless otherwise prohibited by law, EPA will assess interest and late payment penalties on outstanding debts owed to the United States and a charge to cover the costs of processing and handling a delinquent claim. Interest on the civil penalty assessed in this CAFO will begin to accrue thirty (30) days after the effective date of the CAFO and will be recovered by EPA on any amount of the civil penalty that is not paid by the respective due dates. Interest will be assessed at the rate of the United States Treasury tax and loan rate in accordance with 40 C.F.R. § 13.11(a). Moreover, the costs of the Agency's administrative handling of overdue debts will be charged and assessed monthly throughout the period the debt is overdue. See 40 C.F.R. § 13.11(b).

17. EPA will also assess a fifteen dollar (\$15.00) administrative handling charge for administrative costs on unpaid penalties for the first thirty (30)-day period after the payment is due and an additional fifteen dollars (\$15.00) for each subsequent thirty (30)-day period that the penalty remains unpaid. In addition, a penalty charge of up to six percent (6%) per year will be assessed monthly on any portion of the debt which remains delinquent more than ninety (90) days. See 40 C.F.R. § 13.11(c). Should a penalty charge on the debt be required, it shall accrue from the first day payment is delinquent. See 31 C.F.R. § 901.9(d). Other penalties for failure to make a payment may also apply.

18. Pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9), any person who fails to pay on a timely basis a civil penalty ordered or assessed under this section shall be required to pay, in addition to such penalty and interest, the United States' enforcement expenses

including, but not limited to, attorneys' fees and costs incurred by the United States for collection proceedings, and a quarterly non-payment penalty for each quarter during which such failure to pay persists. Such non-payment penalty shall be twenty percent (20%) of the aggregate amount of such person's outstanding penalties and non-payment penalties accrued as of the beginning of each quarter.

19. Failure by Respondent to pay the penalty assessed according to the terms of this CAFO, in full, by its due date, may subject Respondent to a civil action to collect the assessed penalty and any accrued interest and penalties.

20. In the event a collection action is necessary, Respondent shall pay—in addition to any applicable penalty, fees, and interest described herein—all reasonable costs and expenses, including legal expenses and court costs, incurred by the United States for enforcement and collection proceedings for non-payment of the amounts agreed hereunder, pursuant to Section 309(g)(9) of the Act, 33 U.S.C. § 1319(g)(9). In any such collection action, the validity, amount, and appropriateness of the penalty, and the terms of this CAFO shall not be subject to review.

described in Section 309(g)(7) of the Act, 33 U.S.C. § 1319(g)(7), nor does it constitute a waiver by EPA of its right to enforce compliance with the requirements of Respondent's permits or other requirements of the Act by actions pursuant to Section 309 of the Act, 33 U.S.C. § 1319.

23. The provisions of this CAFO shall be binding upon Respondent, its officers or officials, managers, employees, and their successors or assigns, in their capacity on behalf of Respondent.

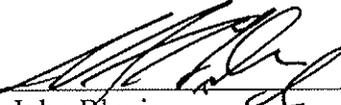

24. Each party agrees to bear its own costs and attorneys' fees in this matter, except to the extent that Respondent may be responsible for reasonable costs and expenses of enforcement and collection proceedings for failure to comply with the terms of this CAFO.

25. Each undersigned representative of the parties to this agreement certifies that he or she is fully authorized by the party represented to enter into the terms and conditions of this agreement and to execute and legally bind that party to it.
