

RESOLUTION NO. 377

WHEREAS, Section 75-2-301 M.C.A., gives the Board of County Commissioners authority to establish and administer a local air pollution control program by ordinance; and

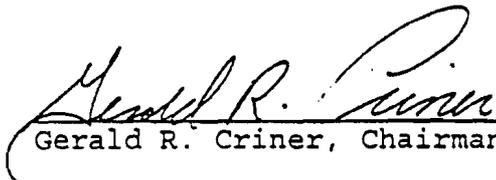

WHEREAS, the Board feels it necessary to adopt such revisions to the 18 November, 1994, Lincoln County Air Pollution Control Ordinance as are required to provide consistency and conformity with revisions to Section 16, Chapter 8, Subchapter 13, ARM, "State of Montana Air Quality Rules -- Open Burning" and to acknowledge organizational and name changes within the State environmental regulatory agencies;

WHEREAS, failure to adopt such revisions could result in violation of Montana Code created by continuing implementation of a local air pollution control ordinance less stringent than State regulations.
