Re: Request for Public Hearing for Sunshine Gas Producers' Proposed Title V Permit

Dear Mr. Hunter:

Thank you for your request for a Title V Public Hearing regarding Sunshine Gas Producers LLC's proposed Title V Permit to Construct. This letter is in response to the Form 500-G (Title V Public Hearing Request Form) you filed on February 14, 2012 with the South Coast Air Quality Management District (AQMD) to request for a Public Hearing regarding the proposed Title V Permit for Sunshine Gas Producers, LLC., located at 14747 San Fernando Road in Sylmar, California.

AQMD staff has reviewed and evaluated the information and the basis for requesting a Public Hearing that you have provided in your request. After a careful review of your request, the AQMD has determined that the information provided in the request does not meet all of the requirements as set forth in Rules 3006(a)(1)(F) and 3006(a)(1)(G). In particular, the request does not provide a valid identification of the proposed permit or sections thereof that are inconsistent with an applicable rule or other regulatory requirement and the reason inconsistencies exist as stated in Rule 3006(a)(1)(F).

However, based on your comments and level of interest expressed by the community near Sunshine Canyon Landfill, the AQMD has decided to hold a public consultation meeting. At this meeting, the AQMD will discuss any permitting issues and concerns regarding the proposed Title V permit for the Sunshine Gas Producers, LLC facility as well as the proposed Renewal and Revision of the Sunshine Canyon Landfill Title V Permit including the new flare proposed for Sunshine Canyon Landfill. The time and location of the meeting are as follows:

Date: April 18, 2012
Time: 6:30 p.m. – 8:30 p.m.
Location: Valley Academy of Arts & Sciences, Theater
10455 Balboa Blvd., Granada Hills, CA 91344

A notice regarding the public consultation meeting will be distributed shortly. We would like to thank you again for the concerns you have raised and for your participation in the permitting

process. If you have any questions regarding this matter, please contact Mr. Jay Chen, Senior Manager, at (909) 396-2664, or jchen@aqmd.gov.

Sincerely yours,
