Subject: University of Southern California, Health Sciences (ID 000056) – Title V
Permit Revision

Dear Mr. Rios:

University of Southern California, Health Sciences has proposed to revise its Title V permit by the addition of the following equipment:

A/N	Equipment Description
521897	Emergency Electrical Generator

This proposed permit revision is considered as a “de minimis permit revision” to their Title V (A/N 521898) permit. Attached for your review is the evaluation and permit for this proposed revision. With your receipt of the proposed revision today, we will note that the EPA 45-day review period begins on August 10, 2011.

If you have any questions or need additional information regarding the proposed permit revision, please call Mr. Kenneth L. Coats (909) 396-2527.

Very truly yours,

Brian L. Yeh
