Dear Mr. Morales-Laimon:

Prior correspondence from the undersigned notified your agency that, effective February 20, 2001, the ownership of the above-noted facility would change from Universal Foods Corporation (doing business as Sensient Technologies Corporation) to SAF (USA) Corporation. Your agency was subsequently notified by facsimile correspondence that, due to altered circumstances, the transfer of ownership did not occur on February 20, 2001, and that you would be contacted when a revised date of transfer was determined.

The purpose of this letter is to advise you that effective February 23, 2001, operational responsibility, though not ownership, for the referenced facility changed from Universal Foods Corporation to SAF (USA) Corporation. The change in operational responsibility qualifies as an Administrative Permit Amendment under District Regulation 2, Rule 6, Section 201. A copy of the written agreement between the parties is enclosed herein as required by Regulation 2, Rule 6, Section 413. Please revise the above-referenced permit accordingly.

The new contact person for this facility is:
