Subject: Proposed Minor Revision to Title V Facility Permit for BP West Coast Products LLC., Carson Refinery (Facility ID #131003)

Dear Gerardo:

Enclosed for your 45-day review is the proposed revision to the Title V facility permit for BP West Coast Products LLC (BP) located at 2350 E. 223rd Street, Carson, California. The revision proposed under application A/N 500107 is a Minor Revision and a public notice is not required.

The South Coast Air Quality Management District (AQMD) has received an application for a Permit to Construct from BP for the equipment described in table below. The AQMD has evaluated the application and made a preliminary determination that the equipment will operate in compliance with all of the applicable requirements of our Rules and Regulations. The revised portions of the permit and our evaluation report are attached for your review.

Application No.	Equipment	Description of Proposed Project
501042	Hydrocracker Unit (Reaction Section)	Modification to increase the feed rate processed through the Hydrocracker Unit by removing hydraulic and thermal constraints and optimizing heat exchanger performance. An additional objective is to upgrade the Hydrocracker Unit water wash system.

This letter is being sent to you via email in order to facilitate your review. If you have any questions or wish to provide comments regarding this project, please contact the processing engineer, Mr. Rafik Beshai, at (909) 396-3611 or by email at rbeshai@aqmd.gov.

Sincerely,

for
